f) The ABC may, in its absolute discretion, refuse to award an item to any entrant who fails to comply with these Terms and Conditions.

3. Live on-air auction

a) Entries for the live on-air auction open at 3:00pm AEDT on Monday 23 November 2026 and close at 5:00pm AEDT on Thursday 26 November 2026 (**Entry Period**).

b) To enter, individuals must, during the Entry Period, either:

   (i) complete the online entry form on the triple j website at https://www.abc.net.au/triplej providing their full name, location, contact details, Maximum Bid (see below) which prize they want to bid on (**Answer**), and accept these Terms and Conditions; or

   (ii) send an SMS to the triple j text line on 0439 75 7 555 containing the word BID, followed by their full name, location, Maximum Bid. SMS entrants must also accept these Terms and Conditions by replying YES to the automatic reply SMS, which will include a link to these Terms and Conditions before the end of the Entry Period. SMS entrants who have not accepted these Terms and Conditions will not be selected. Standard SMS charges apply;

   (iii) if an entry

c) Entrants must nominate, in Australian dollars (AUD) via the online entry form, the approximate highest amount they would be willing and able to bid (**Maximum Bid**). Entrants are not bound by their Maximum Bid and may bid more or less than it live on air. Only the winning bidder must pay, and they must pay their final winning bid.

d) After the Entry Period closes, triple j will select up to thirty (30) eligible entrants from all valid entries to take part in the live on-air auctions. Selection is at triple j's discretion, having regard to the

Answers and Maximum Bids, and will not necessarily be based on the highest Maximum Bids. Selected entrants will be allocated to an auction at triple j's discretion.

e) Selected entrants will be contacted by triple j and must be available to take part live on air on Thursday 26 November 2026 between 3:00pm and 5:30pm AEDT. If a selected entrant cannot be contacted or is unavailable, triple j may select another eligible entrant. If there are not enough available entrants, an auction may go ahead with fewer than eight (8) entrants.
f) The two (2) live auctions will take place on triple j on Thursday 26 November 2026 between 3:00pm and 5:30pm AEDT. Each auction will have up to ten (10) entrants and is expected to run for a broadcast segment of approximately five (5) minutes. No more than two (2) entrants will bid live on air at any one time. If time runs out, the hosts of triple j Drive may close bidding, and the entrant with the highest bid accepted by the host at that point will be the winning bidder.
g) In each auction, selected entrants will be called on in order from the lowest to the highest Maximum Bid.
h) Each auction will run as a knockout. The first two entrants will bid against each other, and each may increase the current bid. The hosts of triple j Drive will set the opening bid and bidding increments.
i) Bidding between two entrants continues until one entrant declines to bid higher, is outbid and does not bid again, or withdraws from the auction. That entrant is eliminated, and the remaining entrant continues to the next round. A bid that has already been accepted cannot be withdrawn.
j) The next entrant, in ascending order of Maximum Bid, will then join the auction and bid against the remaining entrant. By the time an entrant joins, the current bid may already be higher than their Maximum Bid. They may still choose to bid.
k) This continues until every selected entrant has had the opportunity to bid or has been eliminated.
l) Subject to these Terms and Conditions, the hosts of triple j Drive will oversee bidding, including setting bidding increments, managing the pace of bidding and declaring when bidding has closed.
m) The entrant with the highest bid accepted by the host will be declared the winning bidder.

4. General:

The ABC is not involved in, and is not responsible for, any payment or transfer of funds. If you do not pay within a reasonable period of time as determined by the ABC, the ABC may offer the item to the next highest bidder.
