

30 October 2023

Statement from Pratt Industries spokesperson:

Pratt Industries nor Visy has ever paid John Stensholt. Period.

Consistent with widespread industry practice, we do cover travel and accommodation costs when Australian based journalists travel to the United States to report on our latest factory openings and investments. This is no secret as Mr. Stensholt has disclosed.

Mr. Stensholt is an award-winning, and widely respected business journalist of utmost integrity.
