

Getting Started:

Get your hands dirty and learn about the ancient Japanese art of Kokedama! It's fun, beautiful, and no drama to make. No Drama, Kokedama!

- Desired indoor plant
- Coconut Fibre
- Potting Mix
- Stockings
- Twine

Top Tip
You can
Kokedama from
one of your
propagations!

What To Do:

1. Unpot your plant and loosen the roots.
2. Place in your stocking and fill with soil. Try to make your kokedama round, it can be tricky!
3. Wrap coconut fibre around your ball and secure with twine by wrapping it around in different directions.
4. Tie some twine around to give it a harness.
5. Give your kokedama a good dunk in a bucket of water and hang it up to enjoy!
