Now Dorothy's got her own television series, they can visit one of their favourite Wiggles characters and enjoy a very special audience in her beautiful home and spectacularly colourful garden.

All her old friends will be there - Wags the Dog, Henry the Octopus and Captain Feathersword. And lots of new friends too, including four dancing fairies - Clare, Larissa, Lucia and Little Maria - who love to dance with Dorothy.

And of course, Dorothy loves to sing and, with a snap of her fingers, can conjure up the musical accompaniment of Dominic and his Rosy Orchestra to play live music in the garden. The Rosy Orchestra give children a valuable experience listening to organic instruments, violins, viola, cello, accordion and bouzouki!

There's games to play and things to discover. You might even learn the steps to a Latin cachuca or an Irish jig!

So make it a date and bring your dancing shoes, because there's always lots of songs and lots of stories and an extra dollop of fun when you drop in for a chat and a cup of Rosy Tea with Dorothy the Dinosaur.
