# Welcome to Reef School, where every day is an underwater adventure!

Hidden in an imaginary Australian coral reef is a preschool like no other: Reef School! Led by their gentle turtle teacher Mr. Flip, the Reefies – Ray, Surg, Ginger, Stripes, Oli, Chips, Jaws and the Snappers – learn all about life beneath the waves. With stories, songs, excursions and games, every day is as colourful as the coral around them.

Narrated by Emma Watkins (*The Wiggles*), and combining astounding real life underwater footage with charming, funny character voices, *Reef School* is created and developed by the award-winning ABC Children's and Family Department.

In series two, the Reefies make some new friends, including Shelley the dolphin (voiced by *Heartbreak High's* Chloe Hayden) and Mr Bwap the eel (voiced by TikTok creator Mr Luke).

Children and parents alike will delight in the Reefies' daily adventures, while being awed by the wondrous underwater setting.
