THE TREE  
OF WISDOM

# FROM THE WORLD OF THE WIGGLES COMES AN ALL-NEW LEAFY LEGEND... THE TREE OF WISDOM!

Get ready to branch out into a wildly imaginative new series that's already taking root in the hearts of children (and grown-ups!) everywhere.

Sprouting from the viral sensation and loved across generations, The Tree of Wisdom is no ordinary tree – he's a wise-cracking, tree-hugging, fun-loving forest friend with the bark of a stand-up comedian and the heart of a cuddly gumtree.

With his signature catchphrase – 'Rika-Pudy and a Fan-Dan-Doogly!' – echoing through playgrounds and living rooms, The Tree is climbing high as the next big star in kids' entertainment.

High in his treetop home, this lovable larrikin hosts a musical comedy adventure packed with catchy songs, playful life lessons, and laugh-out-loud moments. Whether he's jamming with his sapling-sized sidekick, the Little Tree of Wisdom, or throwing a forest-floor 'Bush Doof' (that's a dance party, Aussie-style!), every episode is a celebration of nature, imagination, and silliness.
