

Query: Regarding Prof. Andrew Ruys

Greetings!!

Since Prof. Andrew Ruys is an Editor in Chief he has been invited to be an organizing committee member in the initial days of the conference. Seemingly he has given his positive response and we expected his presence at the event. Unfortunately he did not turn up and soon after his details has been removed from the website.

For website: <http://biomechanics-implantdesign.conferenceseries.com/>

Feel free to contact me for any further concerns.
