

Loretta Ryan!

Meet

My Radio Star.

'Cause listening to her makes me feel sparkly too!

I learn and I laugh with my star and her crew.

My star has a voice that soothes souls near and far.

that starts my best days.

She is the sparkle

My star shines bright in her own unique ways.

Aerobics to stepples.

About ANYTHING!

My kind of star talks to all kinds of peoples.

My Kind of Star

My kind of star beats the sun out of bed.

By breakfast her bright sparkle starts to spread...

My star surfs to South Bank on waves made of air.

Sharing sounds that are filled with cool, calm, kind care.
