## Planet Lulin

A coming-of-age sci-fi comedy that's  
out of this world!

Twelve-year-old Lulin's going through  
some little green changes – she's  
blasting energy waves from her fingers,  
oozing green slime and getting scorch  
marks instead of pimples – but that's  
what happens when you have a human  
dad and an extra-terrestrial mum.

A vibrant, funny, live-action series for  
kids and families, *Planet Lulin* explores  
universal themes of self-discovery and  
belonging while navigating the cosmic  
shifts of adolescence and growing up.

## Gardening Australia Junior

Kids and their families are invited  
to explore the wondrous world  
of gardening

Packed with gardening tips, tricks  
and activities that all kids will dig,  
this series stars keen junior  
gardeners who tackle a fun  
new project each episode.

From constructing a compost  
cauldron to building a bee hotel  
and growing a rainbow veggie  
patch, there's plenty on offer  
for viewers to replicate at home.

# Reef School

Series 2

Every day is an underwater preschool adventure on a stunning coral reef

Led by their gentle turtle teacher Mr Flip, the little Reefies learn all about life beneath the waves. With stories, songs, excursions and games, every day is as colourful as the coral around them.

Combining real life underwater footage with charming, funny character voices, *Reef School* is narrated by Emma Watkins (*The Wiggles*).
