

**Query: Journal of Mass Communication & Journalism**

David Marshall, James-McArdle, Janine Little, Deborah Walker Editors of Journal of Mass Communication & Journalism are inactive and never responded to our mails. We didn't get any articles related to their research field because of that reason these Editors are not assigned with articles.

Upon request from **Dr. Martin Hirst** on 15<sup>th</sup> July, 2015 to remove him from Editorial Board Member, we removed immediately from the Board.
