# Hate Speech laws

## Focus Questions

Discuss the BTN High story as a class and record the main points of discussion. Students will then respond to the following:

1. Describe what the new hate speech laws are and what they aim to achieve.
2. Do you think these laws are necessary? Why or why not?
3. What is freedom of speech?
4. Should there be limitations to freedom of speech? Give reasons for your answer.

## Activities

- As a class, debate whether you agree or disagree with the new hate speech laws. You may use BTN High's [School Debating](#) story as a guide on how debates work.
- In groups, discuss the importance of freedom of speech.
- Research how laws are made in Australia. Present your findings to the class in an informative and entertaining way (i.e. PowerPoint, video presentation, poster).
