

We have removed details of Roger James Pepperell from the journal editorial board. Please view the editorial board page at: <http://www.omicsonline.com/open-access/editorialboard-clinics-mother-child-health-open-access.php>

We once again regret for the inconvenience that was caused from our end.
I assure you that we will not cause any inconvenience to you in future.

Feel free to contact if you have any further concerns!
