

ABC Child Safe Code of Conduct

The ABC is committed to the safety and wellbeing of Children and Young People and aims to protect them from harm. This document outlines expected behaviours from all workers to make sure that we create a safe and respectful environment for Children and Young People who work and come into contact with the ABC.

Workers are responsible for the safety and wellbeing of Children and Young People who engage with the ABC. Workers are expected to follow the ABC Child Safe Code of Conduct in their physical and online contact with Children and Young People under the age of 18 years.

This document should be read alongside the [ABC Child Safety & Wellbeing Policy](#).

Breaches of the ABC Child Safe Code of Conduct may lead to disciplinary action.
