AGONY AUNTS

COMEDY

HD 6 x 30'

Men have theorised for centuries about how women want to be treated when it comes to love and relationships. Now it's time to end the speculation and get to the truth of the matter by asking the women themselves.

Welcome to **AGONY AUNTS**, a hilarious search for answers on dating, cohabitation, marriage, divorce and being single again.

With the camera trained on some of Australia's wisest and funniest women, **AGONY AUNTS** is insightful, inappropriate, and confessional. The Aunts' brief is to help men as well as their fellow women navigate the difficult terrain of the modern relationship by answering the all-important questions.

Each episode covers several burning relationship issues, from picking up to breaking up. If you've traversed the border between dating and relationship and are feeling a bit jittery, it's ok, the aunts are here to help with the big questions, such as how to impress their mum, how to know if you're really in love, and how to tell if you've got a great man. The Aunts also answer such time-honoured dilemmas as "Is Chivalry Dead?", "How do you know he's not that into you?" and "How do you respond to an unwelcome 'I love you?'".

Combining the candour of BBC's *Grumpy Old Women* with the bluntness of *Chelsea Lately*, **AGONY AUNTS** is an unblinking series that charts the do's and don'ts of picking-up, falling in love, getting your heart broken and hopping straight back on the horse.

Also available: **Agony Uncles** (6 x 30')
