Dear s47F

Thanks again for bearing with me in relation to the below information.

Further to your email correspondence last week, please find attached two excel summaries that provide details on the following:

- All employees engaged at a **band 1 classification** during the review period 14 July 2014 to 20 June 2021, a breakdown of salary payments and any underpayments identified (s47(1)(b), 47G – Employee Listing – BD1);
- All employees, except for overseas correspondents*, engaged on a **buyout arrangement** during the review period 14 July 2014 to 20 June 2021, a breakdown of salary payments and any underpayments identified (s47(1)(b), 47G – Employee Listing – BO).

The ABC is still in the process of calculating the individual outcomes for ABC employees who have been engaged as **overseas correspondents during the review period and we will be able to share further information about this group in the coming weeks.*

The excel summaries are password protected and I'll send you the password on a separate email.

For completeness, I will also note that:

- a. The ABC is now in the consultation phase of the Review and therefore the financial outcomes in the attached spreadsheets may be subject to further changes.
- b. PwC are also preparing an excel summary of the financial outcomes for the ABC employees who are entitled to a transitional meal allowance (per clause 64(b) of the Enforceable Undertaking) and we intend to provide this summary to s47F next week. Please let us know if you would also like to receive a copy of the outcomes for this group.

I trust the attached information will be useful and will provide you with the level of detail you need but please let me know if you need anything further.

s47F, s22(1)

. Please let me know a few of your available timeframes and I will send you a diary invitation.

Kind regards,
Cassie
