Hi Tara. Glimpsed you at the ANZAC ceremony but haven't seen you for a while. Was wondering if John Wibberley had gone yet and if so who is the regional manager? Thx Vic

Hi Vic, yes, crazy busy at the moment (currently on my way to Narrogin) but all will settle down with Heakey starting payt iMessage

the regional manager? Thx Vic

Hi Vic, yes, crazy busy at the moment (currently on my way to Narrogin) but all will settle down with Hockey starting next weekend . John finished up in March and Lisa Herbert is our acting chief of staff for another few weeks before she moves on. We've advertised (again) for a permanent chief of staff and had a few good applicants apparently so fingers crossed that all happens in the coming weeks before Lisa moves on. If you need her in the meantime, she's on Johns old landline 90937010. How is seeding going?

Thx Tara. Still not turned a wheel. Tom is waiting on a rain and then we'll kick both the machines into gear, probably one wheat, one canola. We keep toying with the idea of some dry seeding but have nothing to date.
