## ABC Kids Matching Cards

To complete your ABC Kids card collection, paste each picture to cardboard and cut it out.

### How to play:

1. Mix up the cards so you don't know what order they are in.
2. Lay them in rows, face down so you can't see the characters!
3. If you are playing in a group, take turns to pick up two different cards in a row. You can do this if you're playing by yourself too.
4. If the two cards match, keep them! If they don't match, turn them over but try and remember what characters they were.
5. Don't forget to watch where the characters are when other people take their turn too!
6. Keep matching the cards until all the cards are gone.
7. Whoever has the most pairs of cards wins!
