## His 47E (c)

Friday 18<sup>th</sup> is fine with me. I am free all day.

Also, on ABC Classic this morning, Russell Torrance was asking listeners for their wins this year. Russell read a text from a listener who had affirmed his gender as a man on his 49<sup>th</sup> birthday. It was the happiest day of his life.

If you can get a transcript or even a recording, it would be good to use this as extra work in the AWEI. It is normalising trans experience.

Thanks Chris

A couple of questions before I close out the year on AWEI
