

## Masking Tape Pattern

To create Masking Tape Pattern you will need:  
masking tape, paper, paint and a paintbrush

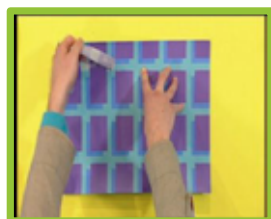

**Step 1**  
Take a long piece of masking tape and stick it across the paper. Repeat to create a chequered pattern.

**Step 2**  
Paint over the paper and tape then leave it to dry

**Step 3**  
Peel off the masking tape then use new tape to overlap the painted squares.

**Step 4**  
Paint the paper using a different colour from before and leave to dry. Remove the masking tape.
