Step by Step:

1. Cut your paper into a circle
2. Tape paper circle onto spinning stand
3. Pour paint into squeezy bottle and dilute with water
4. Spin your stand and use your pens to draw while it spins
5. While you keep the stand spinning, squeeze out the paint and watch it make crazy patterns
6. Put your spinning art out in the sun to dry and then show it off to your friends and family!
