

## Spotty Strippy Patterns

To create Spotty Strippy Patterns you will need:  
glue, black paper, red paper, white paper,  
scissors-warning and a hole punch

**Step 1**  
Cut the black paper and white paper  
into strips.

**Step 2**  
Punch holes all along the strips using  
the hole punch.

**Step 3**  
Glue a black strip to the edge of the  
red paper. Glue a white strip next to  
the black strip, and so on until the  
red paper is covered.

**Step 4**  
You can use different coloured paper  
if you like.
