

Wool Print

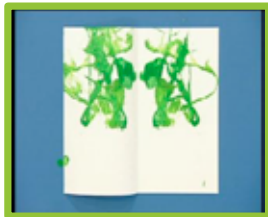

To create Wool Print you will need:
card, paint, strings of wool and glue

Step 1
Fold the card in half and open it again. Dip a string of wool in paint. Put the wool string on one side of the card.

Step 2
Fold the card over the wool. Press down. Without opening the card remove the wool string. Unfold the card.

Step 3
Dip more wool in paint and use it in the same way as steps 1 and 2.

Step 4
Fold a small bit of brown card in half. Cut out a semi circle from the unfolded edge. Glue this to your picture to make the 'tree-trunk'

Step 5
Try making different pictures.
