

# Make a Chinese New Year Dragon!

## You will need:

Cardboard tube, white and yellow paper, tissue paper, scissors, felt-tip pens, red pom-poms, white pipe cleaner, sparkly shapes, googly eyes, paint and brushes, glue, sticky tape and a grown-up to help you!

1 Paint the cardboard tube bright orange. Leave to dry.

2 Stick the googly eyes onto the two red pom-poms. Glue the pom-poms onto the tube.

3 Cut out two white paper crowns. Colour them in and decorate with sparkly shapes.

4 Cut out two yellow horns and glue the crowns to the front. Stick them onto the back.

5 Push a pipe cleaner through two holes and stick a pom-pom onto each end! Glue on some sparkly shapes, yellow tissue paper for teeth and some tissue paper strips for the dragon's flames!

6 Cut out four crown shapes from white paper, colour them in and stick them on! Draw two green squiggles for the nostrils.
