## Corporate Affairs

ABC Ultimo Centre 700 Harris Street Ultimo NSW 2007 GPO Box 9994 Sydney NSW 2001 Tel. +61 2 8333 5261 abc.net.au

I refer to your email of 17 November 2011 in which you sought access to documents under the Freedom of Information Act (FOI Act). Specifically, you sought access to:

"all (de-identified) complaints to the ABC about investigation reports or briefs arising from those complaints, correspondence with regarding such matters, and briefings to the board and managing director regarding same".

In our subsequent telephone discussion, you confirmed that you are seeking documents relating to direct complaints about setween 2001 and now (for instance, complaints made by a colleague or third party who has complained about setween 2001 and now (for instance, complaints made by a colleague or third party who has complained about setween 2001 and now (for instance, complaints made by a colleague or third party who has complained about setween 2001 and now (for instance, complaints made by a colleague or third party who has complained about setween 2001 and now (for instance, complaints made by a colleague or third party who has complained about setween 2001 and now (for instance, complaints made by a colleague or third party who has complained about setween 2001 and now (for instance, complaints made by a colleague or third party who has complained about setween 2001 and now (for instance, complaints made by a colleague or third party who has complained about setween 2001 and now (for instance, complaints made by a colleague or third party who has complained about setween 2001 and now (for instance, complaints made by a colleague or third party who has complained about setween 2001 and now (for instance, complaints made by a colleague or third party who has complained about setween 2001 and now (for instance, complaints made by a colleague or third party who has complained about setween 2001 and now (for instance, complaints made by a colleague or third party who has complained about setween 2001 and now (for instance, complaints made by a conduct towards them). In particular, you are not interested in audience complaints generally.

I am satisfied that the ABC does not have any documents which meet this description.

If you are dissatisfied with this decision you can apply for Internal or Information Commissioner (IC) Review. You do not have to apply for Internal Review before seeking IC Review. Information about your review rights is attached.

Yours sincerely
