Hi team,

I was watching 7.30 last night and saw the segment about the icare whistle blower. At the end of the story you put up the usual mental health message and contact details for Life Line and Beyond Blue.

Because of the homophobic nature of his bullying and harassment, I thought it would have been good to have the QLife number too. https://qlife.org.au/

Just a thought for future LGBTQ related content and there are AWEI points in it too.

Thanks Chris
