- Foraging
- Recycling
- Construction
- Care for nature

BEES

Let's make some bug hotels!

What you'll need:

- Recycled cardboard/boxes
- Flowers
- Upcycled cardboard rolls
- String
- Leaves, twigs, pine cones

Optional: Toys to decorate with

Watch the Bees episode on ABC iView

Step by Step:

1. Construct your cardboard frame into a square or rectangle
2. Tape all the sides together
3. Place your cardboard rolls into the frame and tape down to secure
4. Gather your foraged leaves, flowers, pinecones etc and decorate your bug hotel
5. If you have some toys, add them now
6. Tie the string through the bug hotel and hang them up in a tree or window
7. Wait for the bees and bugs to come and visit your hotel!
