

How to fold the bookmark base:

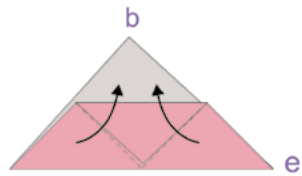

1.
Cut out the pink square base.

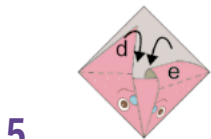

2.
Fold **b** to **a** along the dotted line so that the pink side is on the outside.

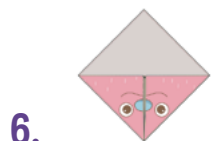

3.
Fold **a** to **c** along the dotted line.

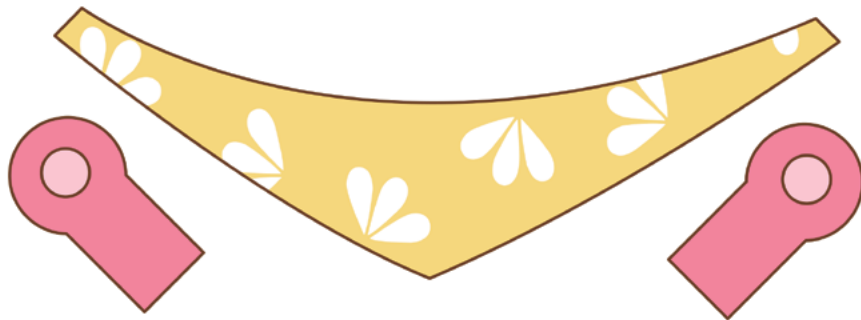

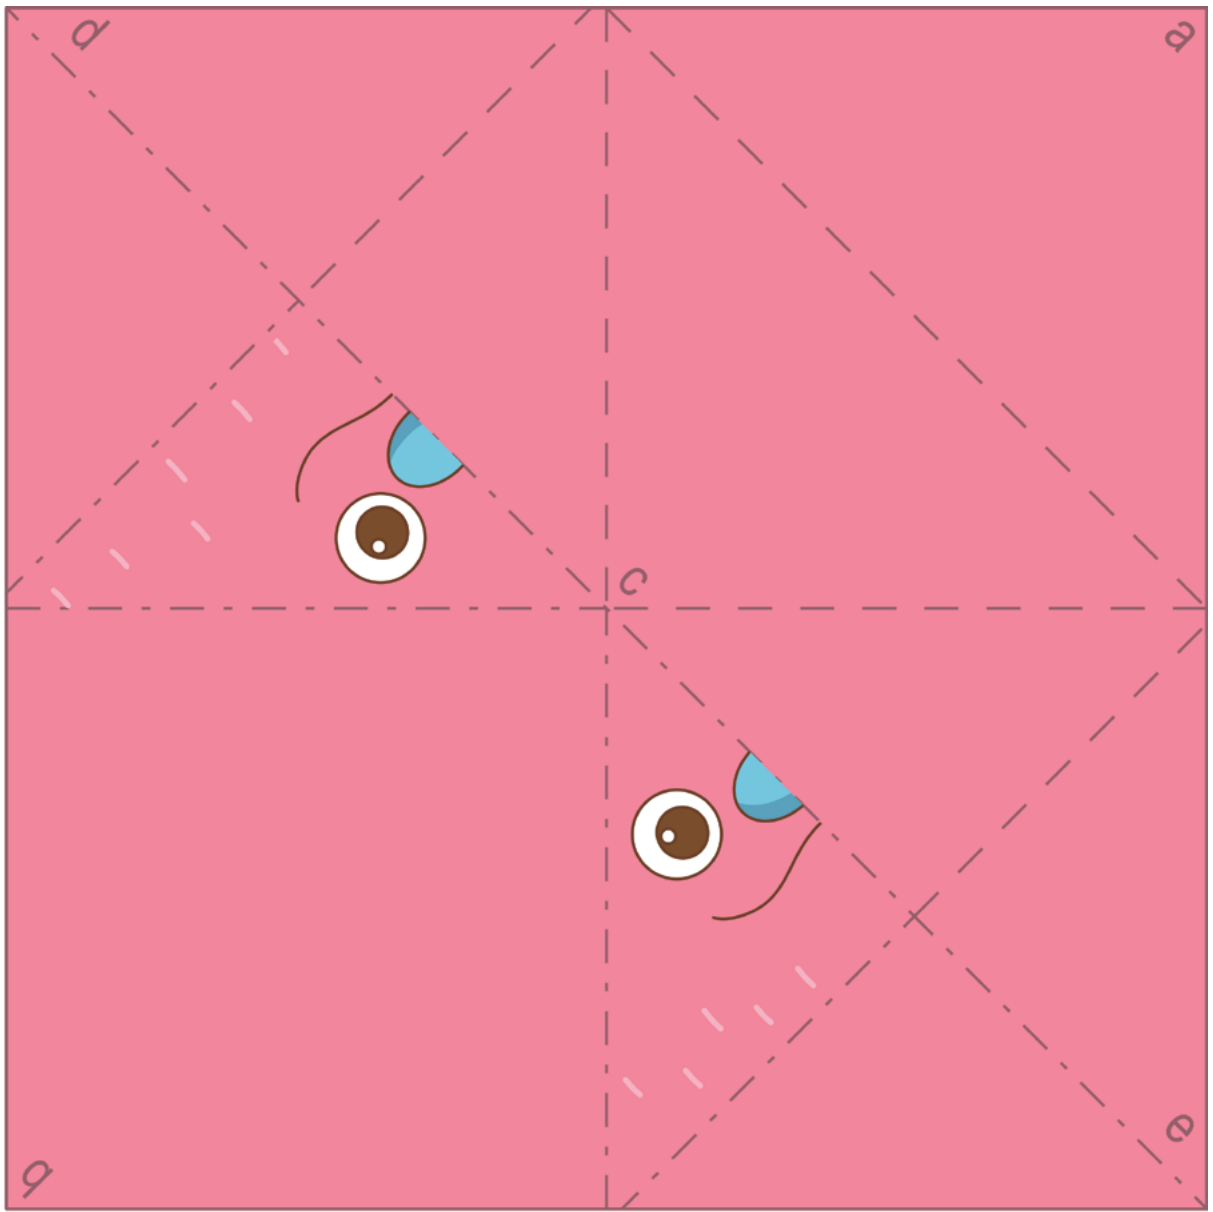

4.
Fold **d** and **e** to **b** along the dotted line.

5.
Fold **d** and **e** along the dotted line and then tuck them both down as shown above.

6.
The base is now complete.
