

Lolly Stick House

To create Junk a Lolly stick House you will need: cardboard, paint, black felt-tip pen, lolly sticks, glue, paintbrush and a tea box.

Step 1
Fold your piece of card in half to make a 'V' shape. Cover the outside of the 'V' in glue. Stick your lolly sticks to the card.

Step 2
Take the tea box and glue 2 edges. Stick the lolly stick card on the box to make a 'roof' shape.

Step 3
Paint the lolly sticks and tea box different colours. Paint on the windows and door with white paint..

Step 4
Add detail to the windows and doors with the black felt-tip pen.

Why not make another lolly stick house using different coloured paint.
