## Welcome to SLEUTH 101 – the whodunit game show with a comedic twist.

Each week a special guest comedian is given a crash course in criminology. Their task, to solve a murder in front of a live studio audience, but what sort of detective will they be? With styles and techniques that will test even the most hardened criminal, our guest detectives have no script, they rely on witness interviews, footage flashbacks, forensic evidence and their own observations. Breathing life into the murder scenarios are a trusty band of suspects and victims.

SLEUTH 101 proves that murder can take place in any setting at anytime including, a reality cooking show, a hair salon, during late night radio, in an art class or at Christmas lunch. Rounding out each episode and in homage to the classic murder mysteries, the suspects all return to the scene of the crime. But when the time comes for our novice detectives to make their observations, will they be right?

SLEUTH 101's unique crime and comedy format can be tailored from 30 - 60 mins.
