

God is with us  
during this COVID-19  
pandemic.

As Christians, it is our  
responsibility to protect  
and care for each other.

God has blessed us  
with a vaccine  
to protect each one of us.

A simple, safe and effective  
way to protect us  
from sickness and death.

# BILIP LONG GOD KISIM VEKSIN NA RAUSIM SIK KOVID-19

This message is from the Church Partnership Program  
supported by ABC International Development and sponsored by the  
Australian Government through the Australian Humanitarian Partnership.

As Christians, we must be prepared to respond to COVID-19.

We must accept the knowledge of science that God has given us.

Vaccines strengthen us, and are provisions from God.

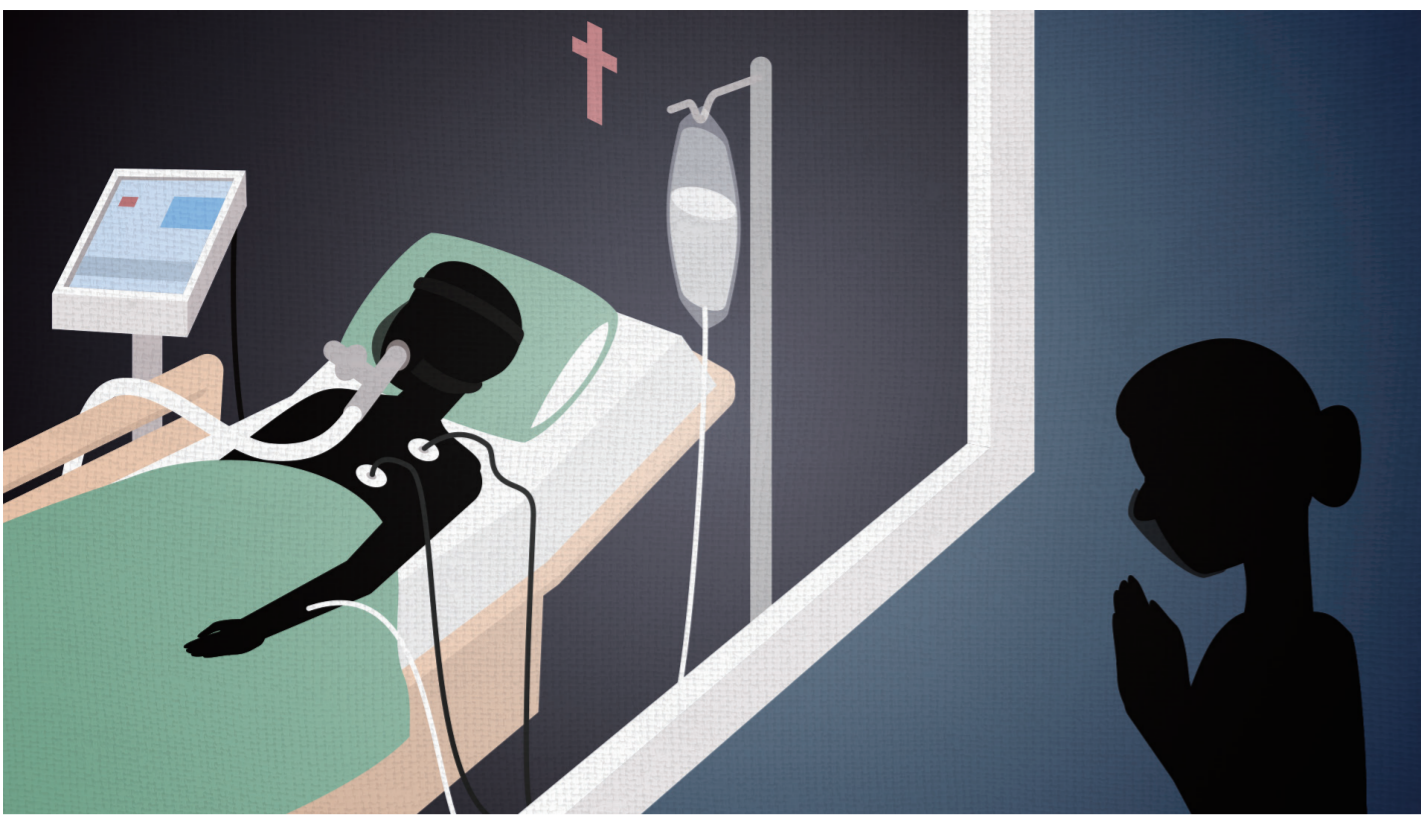

And taking them demonstrates our trust and gratitude to God.
