'If you love CURB YOUR ENTHUSIASM, you must watch FISK on Netflix. Finally, a deeply "unlikable" middle-aged woman lead who is usually just misunderstood by a world that prefers people to be dishonest and stupid. Such a great show.'

'Watching *Fisk*, an Australian comedy that has me literally busting out laughing, Creator/Writer/Star #kittyflanagan has created a masterpiece on par with Ricky Gervais's *The Office*.'

'Happened upon #Fisk on Netflix. Such an endearingly quirky, wry and unfussy comedy. Surprisingly enjoyable with understated but clever humour delivered in its several almost unanticipated golden laugh out loud moments. Here's one 🥂 for Aussie humour. 🙌🙌🙌',
