Hi Diya,

Apologies for the slow response - I have been on leave.

A couple of questions - is the journal medline listed and are there any costs associated with submitting the below mentioned paper?

Thanks and Regards,
Adam

Current Research

Dear Dr. Adam L Bryant,

Hope you are doing well!!

I contacted you by email on 26th Mar 2014, and since we have not as yet received a response from you, I am taking the liberty of resending as we are aware that you may be engaged in other activities or my message may not have successfully reached you. I am sorry to inform you that we have not yet received any response from you regarding the Contribution of Manuscript.

I wonder if you could write a short review or a short commentary (or any type of article) on Bone & Joint Research for publication in <http://www.omicsonline.org/omcrhome.php>
Orthopedics & Muscular System:

Current Research

Instructions for Authors:

<http://www.omicsonline.org/instructionsforauthorsOMCR.php>

<http://www.omicsonline.org/instructionsforauthorsOMCR.php>

If you could submit in May, I could process it for the June Issue.

We will extend the date as per your convenience.

If it is not feasible for you in May, please let me know your feasible time to contribute.

Please provide me your acceptance for the same!

I will be waiting for your positive mail.

Have a nice and healthy day ahead!

Regards

Diya
