Help King Thistle with this party puzzle. Using your finger, or a pencil, draw lines to match up the shapes below.

Which shape doesn't have a match?
Circle its correct name.

- Triangle
- Circle
- Square
- Rectangle
- Star

Note for parents: This activity encourages the use of size language to describe, compare and distinguish objects.

Look carefully at the party things below then answer the questions that follow about their size.

Draw a circle around the smallest present.

Draw a circle around the biggest birthday card.

Draw a circle around the smallest chocolate cake.

Note for parents: This activity will help your child develop observational skills and pencil control.
