

Here To There

In this series of Play School, we explore the many ways of moving and modes of transport to get from here to there. We look at different types of transport including tricycles, road trains and rocket ships. Through a series of playful experiments, we explore the physics of movement. Jemima's Delivery Service is kept busy delivering parcels to the toys who are in all sorts of different places. This week, we also cook yummy rock cakes, strawberry and banana popsicles and make a submarine for an underwater adventure! Plus, get ready to blast off as we launch the 'new' Rocket Clock!

BOOK STORY

I Went Walking

Author: Sue Machin

Illustrator: Julie Vivas

Omnibus Books, 1989

FILM

Skiing and Wheelchair Racing

(Play School, ABC)

IDEAS FOR LATER

- Who do you meet when you walk down the street? Make a list of the people that you might see.
- Do you ever get deliveries to your home? How do they arrive? Maybe your favourite toys could make some deliveries to each other? Can you help them deliver a parcel or a letter?

MAKE AND DO

How to Make a Slides and Ladders Game

You will need:

- Craft sticks
- Coloured straws
- Scissors
- Tape
- Cardboard tubes
- 3 cardboard boxes of various sizes
- Small coloured cards
- Markers
- 2 people figures

Instructions

Using the scissors, cut the coloured straws into 4 - 5cm lengths. Place down two craft sticks parallel to each other, about 3cm apart and tape the straws onto the craft sticks so that they make rungs of a ladder. Repeat this two more times so that you have three ladders.

Cut the cardboard tubes in half, length ways, to make three slides.

Stack your cardboard boxes with the largest box on the bottom and the smallest on top. Using the tape, stick the ladders and slides onto the boxes, one between each level.

On the coloured cards, draw five slides and five ladders.

To play the game, shuffle your slide and ladder cards and place them face down. With a friend, take turns turning a card over. If you get a ladder, move your figure up one level. If you get a slide, you move down one level. Try to get to the top of the box tower. See who will get there first!

TOLD STORY

Dave's New Dance

(A story told by the Play School Team)

FILM

Monster Trucks and Road Trains

(Play School, ABC)

IDEAS FOR LATER

- Do you have a bicycle? You could write a letter to a friend who lives in your neighbourhood and deliver it on your bike with your family. If you don't have a bike, maybe you could ride a scooter, or walk or skip!
- Think about some different places you've been to. Make up a dance move for each place.

MAKE AND DO

How to Make a Here to There Board Game

You will need:

- Large piece of cardboard
- Cardboard tubes
- Small cardboard boxes
- Plastic container
- Tape
- Ping pong ball
- Straw

Instructions

Place the large piece of cardboard on a table. Tape the cardboard tubes and small boxes onto the cardboard to create an obstacle course that the ping pong ball will fit through. Tape the plastic container onto the edge where you want your obstacle course to finish.

To play the game, use the straw and some big breaths to blow the ping pong ball through the obstacle course. See how quickly you can do it.

You could try tilting your board to see if the ping pong ball goes through the course. You can have fun by changing your obstacle course to try different configurations!

STORY

The Snow Wombat

Author: Susannah Chambers

Illustrator: Mark Jackson

Allen & Unwin, 2016

FILM

Dog sleighs and Freight Trains

(Play School, ABC)

IDEAS FOR LATER

- Cover a large table with a sheet and pretend you are tucked inside an igloo. This could be a fun place to read a book or snuggle with your toys.
- Make a cardboard box train for your toys and go on an overland adventure. Make some funny foot prints in damp sand or snow

MAKE AND DO

How to Make Strawberry and Banana Popsicles

You will need:

- Strawberries washed and hulled
- Banana
- Plain yoghurt
- Stick blender
- Knife
- Chopping board
- Paddle pop sticks
- Mini muffin pan

Instructions

Place a strawberry in each mini muffin cup. Insert a paddle pop stick into each strawberry.

Place chopped banana and yoghurt in your jug and whizz with stick a blender until creamy.

Pour mixture into each muffin cup. Place in freezer to set.

Gently remove the strawberry and banana popsicles from the muffin tray and enjoy this yummy, healthy treat!

MAKE AND DO

How to Make a Submarine Adventure

You will need:

- Wooden stick
- 2 small pieces of paper
- Tape
- Marker
- Clear plastic bottle
- 2 pegs
- 2 rubber bands
- Cardboard cylinder
- String

Instructions

Draw two friends on the small pieces of paper and tape them to the wooden stick so that they are standing on it.

Use the plastic bottle to make a submarine. Put one elastic band around the top, and one around the bottom of the bottle. Turn the bottle on its side. Put the two pegs under the band at the back to be the propellers. Put the cardboard cylinder under the two bands – this will be the air tank. With the string, tie one end around the elastic band at the back, and the other end around the top of the bottle – this will help you move your submarine.

Put your two friends into the submarine – they might need to bend over to get inside! Screw the lid of the bottle on to keep the water out. Using the string, take your submarine on an underwater adventure! What sea creatures can you see?

MAKE AND DO

How To Make Space Rock Cakes

You will need:

- 225 grams of self-raising flour
- 115 grams of butter cut into small cubes
- 2 eggs
- 75 grams of brown sugar
- 115 grams of sultanas
- Half a teaspoon of cinnamon
- A pinch of salt
- Large mixing bowl
- Small mixing bowl
- Fork
- Baking tray
- Baking paper
- Baking rack

Instructions

Preheat oven to 200 C.

Sift the flour into a large mixing bowl.

Add the cubes of butter and rub them into the flour with your fingers until the mixture looks like bread crumbs.

Crack two eggs into the small mixing bowl and whisk with a fork. Add the brown sugar, sultanas, cinnamon and salt to the flour and butter mixture.

Add the whisked eggs.

Mix with your hands until a sticky dough forms.

Take small balls of the mixture and place them onto a lined baking tray and bake for 15-20 minutes or until golden brown. Allow to cool on a baking rack.

How To Make Astronauts

You will need:

- Bottles
- Clear lids
- Tape
- Pipe cleaners

Instructions

Put some tape around the top of the bottles.

Draw some faces on.

Put the clear lids over the top of each bottle so that your astronaut has a helmet.

Twist a pipe cleaner around the middle of the bottle to give your astronaut some arms.

Your astronauts are now ready to explore space! Maybe they would like to explore the moon in a space buggy?
