FASHION ASIA

FASHION ASIA

FASHION.
ART.
DESIGN.

Fashion ASIA explores fashion, design, art and youth culture. Fashion blogger Margaret Zhang and TV presenter Courtney Dober immerse themselves in the culture of thirteen cities across Asia and Australia. They meet with local fashion designers, bloggers, magazine editors, style leaders and opinion creators to discover the creative happenings within each city. Reporting from the most stylish Asian destinations, **Fashion ASIA** discovers what is on trend, and on the street.

Covering everything from quirky hotels, to up and coming jewellery designers, from fashion focused technology to street style, **Fashion ASIA** brings you only the best content each week.

While our hosts are busy exploring, **Fashion ASIA** keeps tabs on what's happening in other parts of the world. Digital nomads report in from all corners of the globe on the latest trends. Want to know about pop up stores in Singapore? Art shows in Berlin? Furniture concepts from Shanghai? Our bloggers will tell you all about it.

Whether it's sculpture, shoes, architecture, travel, fashion designers, or magazine editors, **Fashion ASIA** has something for everyone. With each episode, Margaret and Courtney uncover a world of style and design.

Discovering the delights of Bali, Shanghai, Tokyo, Hong Kong, Bangkok, New Delhi, Seoul, Manila, Kuala Lumpur, Jakarta, Singapore, Sydney and Melbourne, **Fashion ASIA** leaves no stone unturned in the quest to find all things on trend.
