

Burnished Coins

To create Burnished Coins you will need:
cardboard, pva glue, black marker pen, scissors - warning,
black and gold paint, kitchen roll, plate

Step 1
Make the coin by using the plate to draw a circle on the cardboard then cut the circle out.

Step 2
Draw a pattern on the coin using the black marker pen. Carefully paint over the black lines with glue.

Step 3
Paint over the whole shape with black paint.

Step 4
Dip a piece of kitchen roll in gold paint and brush the paint over the coin.
