Dear [REDACTED]

Re: In the Shadow of the Palms: Iraq – Screening on 18 January 2007

Our member [REDACTED] has contacted us with some concerns regarding the televising of the documentary "In the Shadow of the Palms: Iraq" which he produced.

[REDACTED] advised us that he has not yet seen the final cut of the documentary that will be airing tonight. We are concerned about a documentary being aired that has not yet been seen by the producer.

If this is correct, it seems like an unusual situation. We would be grateful if you could explain how this situation has arisen at your earliest convenience. I may be reached at [REDACTED].
