

Australian Broadcasting Corporation

News Division

As at 31 July 2023

Content Makers	Total
All	2350
Female	1311
Percentage Female	55.8%

Notes:

1. Headcount of all active employees, with a classification of Content Maker. Includes casual and fixed term employees. Includes employees who were not paid in the most recent pay period. Includes employees located in Australia and overseas.

2. The 'Content Maker' classification definition is set out in the ABC Enterprise Agreement 2023-2023 and reflects the integrated and specialist nature of ABC content making and includes all functions inherent in the commissioning, gathering, production, presentation, delivery and management of content and content-related services.
