Dear

I refer to your email of 26 October 2011 in which you sought access to documents under the Freedom of Information Act (FOI Act). Specifically, you sought access to:

"all correspondence between ABC managing director Mark Scott and Queensland premier (previously deputy premier) Anna Bligh regarding the possible use of land at South Bank for the new ABC headquarters in Brisbane".

In our subsequent email correspondence you confirmed that the scope of your request was limited to correspondence between 1 January 2008 and 31 December 2008.

The ABC does not have any documents which meet this description.

If you are dissatisfied with this decision you can apply for Internal or Information Commissioner (IC) Review. You do not have to apply for Internal Review before seeking IC Review. Information about your review rights is attached.

Yours sincerely

Judith Maude
