8-Oct-2026

A CPJ spokesperson

In 2026, CPJ conducted a review into all of the journalists and media workers included in its lists of those killed in Israel and the Occupied Palestinian Territory since October 7 2023. Among these cases was Roshdi Sarraj. Our thorough investigation reaffirmed that Sarraj was a journalist in line with our methodology. Whenever new information comes to pass on any killed cases globally, CPJ conducts independent research and updates is reporting accordingly.
