FOI APPLICATION

Dear

I refer to your email of 17 June 2011 in which you sought access to documents under the *Freedom of Information Act 1982* (the FOI Act). Specifically, you have requested access to documents which contain:

"...representations about me which may have been available to or have informed the various selection committees or their delegates or other interested parties in their determination not to shortlist me for interview for any and all of the positions for which I have applied, since 2003".

Following our subsequent email exchange, you identified the following positions that you have applied for:

I have identified two documents which fall within the scope of your request. Access to those documents is granted, and copies are attached. The documents have been redacted to remove personal information.

Please note that the ABC only has documents relating to your applications for the last 3 positions listed above. All documents relating to the previous vacancies have been destroyed in accordance with the then archiving and record management processes, which required recruitment documents to be held for 12 months.

If you are dissatisfied with this decision you can apply for Internal or Information Commissioner (IC) Review. You do not have to apply for Internal Review before seeking IC Review. Information about your review rights is attached.

Yours sincerely

Judith Maude
